Hand Made Custom Sign with hanger.Projects

Posted by [Nigel](#) Wed, May 18, 2016 17:36:28

Hand Made Custom Sign with hanger.

Here is a rustic custom wood sign.

With some fun in mind with my partners name on the sign,it was finished off with some house hold natural oil,and hand braided hanger from string,held in place with some D-rings to support.

Hanging around.

Finished with natural house hold oil.

DD-rings for support.

More projects on the way soon.
