New Wooden Rustic Gate,Hand Made From Pallets.

I have been busy recently Building a New Gate,Hand Made from Pallets,and with the Bark

still left on.

if anyone looks through other posts i have done,i'm pretty handy with wood,other projects i have done such as:

Pine wooden Heart.

Canadine Pine Door Wedges.

Mobile Stand made from Pallet.

Coasters and Stand,made from Pallet.

Tealight Holder,Pine.

And a Nice Rustic Garden Planter.

I enjoy working with wood and being creative,i enjoyed wood work at School,and made many projects.

Be Creative,and Enjoy.
