Small Chunky Heart

I enjoy being creative,starting from scratch with a piece of wood,and see where the moments go,in creativity.

This year i have made some wooden Ornaments and Functional items such as:

Coasters and Holder.
Mobile Phone Stand.
Mobile Phone Case.
Tealight Candle Holders.
Door Wedges.
Wooden Rustic Gate.
Crochet Needle.
Weaving Tool.
Pine Heart.
Garden Planter.
Ornamental Rugby Ball.

I do have other projects that are either finished,or waiting for some more attention,which were done earlier this year.

Rustic Storage Box,nearly finished.

Simple Coffee Coasters,aboriginal Design,supply of paints needed.

White Wash Chunky Heart,nearly finished,waiting for creative ideas and colours,they will come to me.

I have lots of ideas waiting for the right time,to give 100% and have a quality item.

So for 2017 just around the Corner,their will be many more Ideas and Projects showing on myworld-online.net

One last Project to show for this year is a Small Chunky Heart.

The Finish on the Heart is Natural, but you could have:

Bees Wax, Linseed Oil, Danish Oil, Varnish.

There will be more Pictures Uploaded showing More Heart Designs, soon.

Chunky Heart with Passion.
